NOVATION AGREEMENT

Avertium Tennessee, Inc., a corporation duly organized and existing under the laws of Delaware with its principal office at 1431 Centerpoint Boulevard, Suite 150, Knoxville, TN 37932 ("Transferor"); Flywheel Data LLC, a limited liability company duly organized and existing under the laws of Virginia with its principal office at 3033 Wilson Blvd., Suite 700, Arlington, VA 22201 ("Transferee"); and the United States of America (the "Government") enter into this novation agreement (this "Agreement") as of October 9, 2020.

(a) The parties agree to the following facts:

(1) The Government, represented by various contracting officers of the National Aeronautics and Space Administration and NIH Information Technology Acquisition and Assessment Center at the National Institutes of Health, has entered into certain contracts with the Transferor, namely the Solutions for Enterprise-Wide Procurement V Contract Number NNG15SD90B, the Solutions for Enterprise-Wide Procurement IV Contract Number NNG07DA21B, and Chief Information Officer Solutions and Partners III Contract Number HHSN316201500067W, respectively. The term "the contracts," as used in this Agreement, means the above contracts and purchase orders and all other contracts and purchase orders, including all modifications thereto, made between the Government and the Transferor before the effective date of this Agreement.

(2) As of the Effective Date of this Agreement, the Transferor has transferred to the Transferee all the assets of the Transferor involved in performing the contracts, by virtue of that certain Business Unit Purchase Agreement dated as of October 9, 2020, by and between the Transferor and the Transferee.

(3) The Transferee has acquired all the assets of the Transferor involved in performing the contracts by virtue of the above transfer.

(4) The Transferee has assumed all obligations and liabilities of the Transferor under the contracts by virtue of the above transfer.

(5) The Transferee is in a position to fully perform all obligations that may exist under the contracts.

(6) It is consistent with the Government’s interest to recognize the Transferee as the successor party to the contracts.

(7) Evidence of the above transfer has been filed with the Government.

(b) In consideration of these facts, the parties agree that by this Agreement:

(1) The Transferor confirms the transfer to the Transferee, and waives any claims and rights against the Government that it now has or may have in the future in connection with the contracts.
(2) The Transferee agrees to be bound by and to perform each contract in accordance with the conditions contained in the contracts. The Transferee also assumes all obligations and liabilities of, and all claims against, the Transferor under the contracts as if the Transferee were the original party to the contracts.

(3) The Transferee ratifies all previous actions taken by the Transferor with respect to the contracts, with the same force and effect as if the action had been taken by the Transferee.

(4) The Government recognizes the Transferee as the Transferor’s successor in interest in and to the contracts. The Transferee by this Agreement becomes entitled to all rights, titles, and interests of the Transferor in and to the contracts as if the Transferee were the original party to the contracts. Following the effective date of this Agreement, the term “Contractor,” as used in the contracts, shall refer to the Transferee.

(5) Except as expressly provided in this Agreement, nothing in it shall be construed as a waiver of any rights of the Government against the Transferor.

(6) All payments and reimbursements previously made by the Government to the Transferor, and all other previous actions taken by the Government under the contracts, shall be considered to have discharged those parts of the Government’s obligations under the contracts. All payments and reimbursements made by the Government after the date of this Agreement in the name of or to the Transferor shall have the same force and effect as if made to the Transferee, and shall constitute a complete discharge of the Government’s obligations under the contracts, to the extent of the amounts paid or reimbursed.

(7) The Transferor and the Transferee agree that the Government is not obligated to pay or reimburse either of them for, or otherwise give effect to, any costs, taxes, or other expenses, or any related increases, directly or indirectly arising out of or resulting from the transfer or this Agreement, other than those that the Government in the absence of this transfer or Agreement would have been obligated to pay or reimburse under the terms of the contracts.

(8) The Transferor guarantees payment of all liabilities and the performance of all obligations that the Transferee:

(i) assumes under this Agreement, or

(ii) may undertake in the future should these contracts be modified under their terms and conditions. The Transferor waives notice of, and consents to, any such future modifications.

(iii) The contracts shall remain in full force and effect, except as modified by this Agreement. Each party has executed this Agreement as of the day and year first above written.

(9) This Agreement may be executed in one or more counterparts, each of which shall, when executed, be deemed an original, and all of which, taken together, shall constitute one and the same agreement.
Each party has executed this Agreement which shall be effective of the day and year first above written.
